Sir:

REQUEST TO CREDIT DEPOSIT ACCOUNT FOR ERRANT CHARGING OF FEE

This is a request to credit Deposit Account No. 11-1755 for the errant charging of a fee by the Patent Office in connection with the above-identified patent application.

On March 22, 2002, the Patent Office mailed a Notification of Missing Requirements under 35 U.S.C. 371 in connection with the subject application. In said Notification, the Patent Office stated that the following items were due: (i) an oath or declaration; and (ii) a \$130 fee for the late-filing of the oath or declaration. The Patent Office set an extendable two-month period for submission of the missing items; accordingly, the items were due May 22, 2002 (said May 22, 2002 date being extendable in one-month increments up to September 22, 2002).

On June 24, 2002, Applicants filed the following items in Patent Office in connection with the subject application: (i) a copy of the Notification dated March 22, 2002; (ii) a Declaration; (iii) a check for \$240 (representing the \$130 late filing surcharge identified above plus a \$110 fee for a one-month extension of time); (iv) a transmittal letter requesting a one-month extension of time; and (v) a return postcard. A photocopy of the above items is enclosed herewith, the return postcard being stamped to show receipt of these items by the Patent Office.

According to the undersigned's Monthly Statement of Deposit Account dated July 31, 2002 (copy enclosed), the undersigned's deposit account was charged \$290 (\$400 charge minus \$110 credit) on July 30, 2002, said charge apparently representing the fee for a second month extension of time for the June 24, 2002 submission identified above. However, because the Notification of Missing Requirements was dated March 22, 2002, and **a one-month extension of time thereto extended the period for response until Monday, June 24, 2002 (since June 22, 2002 was a Saturday)**, the one-month extension of time requested by Applicants was sufficient, thereby rendering the second-month extension of time charged by the Patent Office unnecessary.

Therefore, the undersigned respectfully requests that the Patent Office credit Deposit Account No. 11-1755 in the amount of \$290 for the errant charging of the fee for a second-month extension.

If, for some reason, the Patent Office is unable to credit Deposit Account No. 11-1755 for the aforementioned \$290 charge, the undersigned respectfully requests that a check in the amount of \$290 be issued to KRIEGSMAN & KRIEGSMAN, 665 Franklin Street, Framingham, MA 01702.

If there are any fees due in connection with the filing of this paper that are not accounted for, the Patent Office is authorized to charge the fees to our Deposit Account No. 11-1755. If a fee is

required for an extension of time under 37 C.F.R. 1.136 that is not accounted for already, such an extension of time is requested and the fee should also be charged to our Deposit Account.

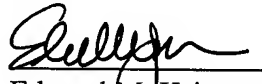

Respectfully submitted,

Kriegsman & Kriegsman
